

What is an Overnight Parking Permit and when do I need to purchase one?

The overnight permit is used for any vehicle that does not have an active permit in the Passport Parking Program. Some of these circumstances are:

- An overnight guest
- A rental vehicle or any vehicle that is not registered to the resident of the City of Garfield
- People who submit an application after normal business hours (nights or weekends), or for any application pending for approval
- New residents who do not have all documentation required for a residential permit

An overnight permit costs \$5.00 and the purchase of this permit will ensure that a summons is not issued. You must enter Zone 86200 to purchase the Garfield permit.
