

Pet Information / Rabies Vaccine

The City of Garfield will not have the Rabies clinic this year as we now have an Animal Control Contract with The Bergen County Animal Shelter

The Shelter holds a Rabies Clinic every month for contracting towns with no cost to residents. They also provide many additional services for the community. Please check their website at <http://www.teterboro-online.com/boro/shelter/shelter1.shtml> or call 201-229-4616 to find the Rabies Clinic dates.
