

## WHAT IS REQUIRED FOR A DECK PERMIT

1. Building permit application which consists of the jacket, small construction permit and Building section filled out completely
2. Copy of your survey. (Must be exact size cannot be shrunk down or blown up this will change the scope of the size)
3. Mark the copy of your survey of where you would like to install the deck. You also need a drawing on how you are going to construct the deck.
4. If a contractor is doing the work, they must fill out the permit application and include a copy of their home improvement contractor's license from the state. Otherwise, the homeowner will put "homeowner" where it says contractor and sign the inside of the permit jacket.
