

WHAT IS REQUIRED FOR A PATIO PERMIT

1. Zoning permit application which consists of the jacket, small construction permit and zoning application filled out completely
2. Copy of your survey. (must be exact size cannot be shrunk down or blown up this will change the scope of the size)
3. Mark the copy of your survey of where you would like to put your patio and what the size of it is.
4. If a contractor is doing the work they must fill out the permit application and include a copy of their home improvement contractor's license from the state. Otherwise the homeowner will put "homeowner" where it says contractor and sign the inside of the permit jacket.
