- D.** If the whereabouts of the property owner or the tenant/occupant are unknown and cannot be ascertained by reasonable diligence, service of the complaint and notice of hearing shall be effectuated as follows:
- (1) One-time publication of the complaint and notice of hearing in one of the City's official newspapers.
  - (2) Conspicuous posting of the complaint and notice of hearing on a building or structure located on the subject property.
- E.** Whenever an individual dwelling unit within a multifamily dwelling has received five qualifying calls within a sixty-day period, the public officer shall notify the property owner and tenant/occupant as provided hereunder so that the property owner can take action to abate the nuisance. This notice shall be issued notwithstanding that the multifamily dwelling did not receive the required number of qualifying calls that would trigger a notice of violation.
- F.** Should the number of qualifying calls to any property meet or exceed 50% of the number specified in § 221-13, the public officer may, but is not required to, so notify the owner, tenant, or occupant thereof.

**§ 221-15 Hearing procedure, costs to be assessed; violations and penalties.**

- A.** A hearing shall be held on the allegations recited in the complaint. The public officer or officers involved shall present evidence and testify at the hearing and may produce witnesses in support of the allegations recited in the complaint. The property owner and any interested party shall have the right to appear at the hearing and testify, produce witnesses, and be represented by an attorney.
- B.** One of the City Attorneys in the Division of Law shall serve as hearing officer. The hearing officer is charged with determining whether, in a sixty-day period, the subject property received qualifying calls in excess of those permitted under § 368-13. If so, the hearing officer shall confirm that the property was on probationary nuisance status from the date of the complaint. If the hearing officer also determines that qualifying calls were made to the subject property during the

probationary period, that fact shall be so noted in the hearing officer's findings. Based on these findings, the hearing officer shall enter an order against the property owner or, as applicable, the tenant/occupant, or both.

- C.** The following shall be memorialized in the hearing officer's order:
- (1)** A finding that the subject property was on probationary nuisance status.
  - (2)** A determination that an excessive number of qualifying calls were made to the subject property during the probationary nuisance status period.
  - (3)** An assessment of the reasonable costs of litigation, including, but not limited to, the costs of a court reporter and transcript, and an administrative fee of \$100.
  - (4)** An assessment of a user fee of \$300 per call for each qualifying call in excess of the permitted number. If the qualifying calls involve the same tenant or occupant, this fee may be apportioned between the owner and the tenant/occupant.
- D.** Additional qualifying calls to the subject property following the hearing and within a one-year period from the date of the complaint constitute a further violation of this article and are subject to a user fee of \$300 per call. A summons and complaint shall be filed in the Garfield Municipal Court for each subsequent qualifying call, each being a separate violation, with the \$300 per call user fee the penalty to be imposed upon a guilty plea or conviction. Notice of this provision shall be incorporated in the hearing officer's order.
- E.** The hearing officer's order shall be served upon the appropriate parties in the same manner as service of the complaint and notice of hearing; except that, in the event the whereabouts of the property owner, tenant, or occupant cannot be ascertained, then the order shall also be recorded in the Bergen County Clerk's office.

**§ 221-16 Assessment of lien.**

- A.** Any fees, costs, or penalties that remain unpaid 60 days from the date of an order issued pursuant to this article shall be assessed as a lien against the subject property, enforceable and collectible in the same manner as liens for delinquent real property taxes and municipal service charges.
- C.** Pursuant to N.J.S.A. 40:52-1.2, municipal licenses, permits, and certificates of occupancy applied for or issued to the subject property may be revoked, suspended, withheld, or denied renewal for failure to comply with and satisfy any payment obligations under an order imposed pursuant to this article.

Section 2. Any other chapter of the City Code that conflicts with this amendment is hereby repealed to the extent of the conflict;

Section 3. If any section, subsection, clause or phrase of this ordinance is for any reason held to be unconstitutional or invalid by any court or competent jurisdiction, such decision shall not affect the remaining portion of this ordinance.
