BE IT ORDAINED by the City Council of the City of Garfield, in the County of Bergen, State of New Jersey, as follows:

Section 1. The City of Garfield, in the County of Bergen, State of New Jersey (the "City"), is hereby authorized to undertake the Banta Avenue Sewer Improvement Project in, by and for the City. Said improvement shall include all work, materials and appurtenances necessary and suitable therefore.

Section 2. The sum of \$1,550,000 is hereby appropriated to the payment of the cost of making the improvement described in Section 1 hereof (hereinafter referred to as "purpose"). Said appropriation shall be met from the proceeds of the sale of the bonds authorized, and the down payment and the State and Federal grants appropriated, by this ordinance. Said improvement shall be made as a general improvement and no part of the cost thereof shall be assessed against property specially benefitted.

Section 3. It is hereby determined and stated that (1) said purpose is not a current expense of the City, and (2) it is necessary to finance said purpose by the issuance of obligations of the City pursuant to the Local Bond Law (Chapter 2 of Title 40A of the New Jersey Statutes Annotated, as amended; the "Local Bond Law"), and (3) the estimated cost of said purpose is \$1,550,000, and (4) \$275,931 of said sum is to be provided by the State grant hereinafter appropriated, and (5) \$187,543 of said sum is to be provided by the Federal grant hereinafter appropriated, and (6) \$90,000 of said sum is to be provided by the down payment hereinafter appropriated to finance said purpose, and (7) the estimated maximum amount of bonds or notes necessary to be issued for said purpose is \$996,526, and (8) the cost of such purpose, as hereinbefore stated, includes the aggregate amount of \$230,000, which is estimated to be necessary to finance the cost of such purpose, including architect's fees, accounting, engineering and inspection costs, legal expenses and other expenses, including interest on such obligations to the extent permitted by Section 20 of the Local Bond Law.

Section 4. It is hereby determined and stated that the sum of \$275,931 received or to be received as a grant from the State of New Jersey Department of Transportation is hereby appropriated to the payment of the cost of such purpose.

Section 5. It is hereby determined and stated that the sum of \$187,543 received or to be received as a grant from the Bergen County Community Development Program, pursuant to the Federal Housing and Community Development Act, is hereby appropriated to the payment of the cost of such purpose.

Section 6 It is hereby determined and stated that moneys exceeding \$90,000, appropriated for down payments on capital improvements or for the capital improvement fund in budgets heretofore adopted for the City, are now available to finance said purpose. The sum of \$90,000 is hereby appropriated from such moneys to the payment of the cost of said purpose.

Section 7. To finance said purpose, bonds of the City of an aggregate principal amount not exceeding \$996,526 are hereby authorized to be issued pursuant to the Local Bond Law. Said bonds shall bear interest at a rate per annum as may be hereafter determined within the limitations prescribed by law. All matters with respect to said bonds not determined by this ordinance shall be determined by resolutions to be hereafter adopted.

Section 8. To finance said purpose, bond anticipation notes of the City of an aggregate principal amount not exceeding \$996,526 are hereby authorized to be issued pursuant to the Local Bond Law in anticipation of the issuance of said bonds. In the event that bonds are issued pursuant to this ordinance, the aggregate amount of notes hereby authorized to be issued shall be reduced by an amount equal to the principal amount of the bonds so issued. If the aggregate amount of outstanding bonds and notes issued pursuant to this ordinance shall at any time exceed the sum first mentioned in this section, the moneys raised by the issuance of said bonds shall, to not less than the amount of such excess, be applied to the payment of such notes then outstanding.

Section 9. Each bond anticipation note issued pursuant to this ordinance shall be dated on or about the date of its issuance, shall be payable not more than one year from its date, shall bear interest at a rate per annum as may be hereafter determined within the limitations prescribed by law and may be renewed from time to time pursuant to and within the limitations prescribed by the Local Bond Law. Each of said bond anticipation notes shall be signed by the Mayor and by a financial officer and shall be under the seal of the City and attested by the City Clerk or Deputy City Clerk. Said officers are hereby authorized to execute said notes in such form as they may adopt in conformity with law. The power to determine any matters with respect to said notes not determined by this ordinance, and also the power to sell said notes, is hereby delegated to the Chief Financial Officer who is hereby authorized to sell said notes either at one time or from time to time in the manner provided by law.

Section 10. It is hereby determined and declared that the period of usefulness of said purpose, according to its reasonable life, is a period of forty years computed from the date of said bonds.

Section 11. It is hereby determined and stated that the Supplemental Debt Statement required by the Local Bond Law has been duly made and filed in the office of the City Clerk of the City, and that such statement so filed shows that the gross debt of the City, as defined in Section 43 of the Local Bond Law, is increased by this ordinance by \$996,526 and that the issuance of the bonds and notes authorized by this ordinance will be within all debt limitations prescribed by said Local Bond Law.

Section 12. Any funds received from private parties, the County of Bergen, the State of New Jersey or any of their agencies or any funds received from the United States of America or any of its agencies in aid of such purpose (other than the State and Federal grants hereinbefore

appropriated which shall be applied to the cost of such purpose, but shall not be applied to the payment of outstanding bond anticipation notes and the reduction of the amount of bonds authorized), shall be applied to the payment of the cost of such purpose, or, if bond anticipation notes have been issued, to the payment of the bond anticipation notes, and the amount of bonds authorized for such purpose shall be reduced accordingly.

Section 13. The capital budget is hereby amended to conform with the provisions of this ordinance to the extent of any inconsistency therewith and the resolutions promulgated by the Local Finance Board showing full detail of the amended capital budget and capital program as approved by the Director, Division of Local Government Services, is on file with the City Clerk and is available for public inspection.

Section 14. The City intends to issue bonds or notes to finance the cost of the improvement described in Section 1 of this ordinance. If the City incurs such costs prior to the issuance of such bonds or notes, the City hereby states its reasonable expectation to reimburse itself for such expenditures with the proceeds of such bonds or notes in the maximum principal amount of bonds or notes authorized by this ordinance.

Section 15. The full faith and credit of the City are hereby pledged to the punctual payment of the principal of and interest on the obligations authorized by this ordinance. Said obligations shall be direct, unlimited and general obligations of the City, and the City shall levy ad valorem taxes upon all the taxable real property within the City for the payment of the principal of and interest on such bonds and notes, without limitation as to rate or amount.

Section 16. This ordinance shall take effect twenty days after the first publication thereof after final passage.
