AN ORDINANCE REPEALING AND REPLACING PART II, GENERAL LEGISLATION, CHAPTER 95, BICYCLES, OF THE REVISED GENERAL ORDINANCES OF THE CITY OF GARFIELD

WHEREAS, the proper operation and use of bicycles throughout the City of Garfield is important to the safety of both bicyclists and pedestrians; and

WHEREAS, bicycles being locked to poles and/or posts owned or leased by a public authority in the City of Garfield has created concerns about property damage; and

WHEREAS, the Mayor and Council finds it is in the best interest of the citizens of the City of Garfield to address the safety and risk to persons and property through the improper use of bicycles;

NOW, THEREFORE, BE IT ORDAINED by the Governing Body of the City of Garfield that Part II, General Legislation, Chapter 95, Bicycles, is hereby repealed and replaced as follows:

Section 1. The Governing Body of the City of Garfield hereby amends Part II, General Legislation, to include Chapter 95, as follows:

§ 95 BICYCLES.

§ 95.1 Definitions.

As used in this section:

BICYCLE

Means a vehicle propelled solely by human power through a chain belt or gears that has at least one (1) wheel more than fourteen (14) inches in diameter.

EARPHONES

Means any headset, radio, tape player, or other similar device which is designed to provide the listener with radio programs, music, or other recorded information through a device which covers all or a portion of both ears.

LANE

Means the portion of roadway used for the movement of a single line of vehicles. Unless otherwise indicated by traffic control devices every undivided roadway on which lanes are not marked or on which the only pavement marking is a centerline shall be deemed to be a two-lane street with one (1) lane open for vehicular travel in each direction separated by the centerline. The marked or unmarked portion of a street on which parking is permitted is not a separate lane for vehicular travel but is a parking lane.

PATH

Means a way publicly maintained that has been designated for use by bicycles only or by bicycles and pedestrians by a traffic control device or other sign or by regulation and that is separated from the roadway for other vehicular traffic by open space, a curb or another barrier.

SAFE, SAFELY and IN SAFETY

Means: a. without hazard to person or property; b. without in any way interfering with, impeding, hindering, obstructing or taking the right-of-way from any other vehicle or pedestrian; c. in an attentive, careful, and prudent manner; and d. at a speed such that recovery from errors in judgment is possible.

§ 95.2 Application of Traffic Laws to Bicycles.

Every person driving a bicycle has all of the rights and duties applicable to the driver of any other vehicle under this title except as modified by this section.

§ 95.3 Required Method of Riding Bicycle.

- a. No person driving a bicycle shall ride other than astride a permanent and regular seat attached thereto.
- b. No bicycle shall be used by either the driver or any passenger to carry more persons than the number for which it is designed or equipped.
- c. An adult riding on a bicycle may carry a child securely attached to the person in a backpack or sling.

§ 95.4 Carrying Articles Restricted.

Every person driving a bicycle shall keep at least one (1) hand on the handlebars at all times and shall not carry any package, bundle or article that obstructs the driver's vision or prevents the use of both hands in the control and operation of the bicycle.

§ 95.5 Bicycle to Be Driven to Right.

Every person driving a bicycle upon a roadway at a speed so slow as to impede or block the normal and legal forward movement of traffic proceeding immediately behind such bicycle shall drive within the right four (4) feet of the right-hand through lane of the roadway, except under any of the following conditions:

- a. When driving in a bike lane;
- b. When preparing for a left turn;
- c. When reasonably necessary for safety because of debris or other obstruction on or a defect in the surface of the pavement, but the bicyclist shall continue to drive as close to the right side of the roadway as is practicable;
- d. When overtaking and passing on the left of another vehicle; and
- e. On a one-way street, when driving in the left four (4) feet of the left-hand through lane.

A bicycle may be driven on a paved shoulder if such driving does not violate any section of this chapter for passing or direction of travel.

§ 95.6 Bicycle in Crosswalk.

Persons driving bicycles across a roadway upon and along a crosswalk from a sidewalk or path have all the duties applicable to pedestrians under the same circumstances and similarly have such rights, but only if the approach and entry into the roadway are made at a speed no greater than an ordinary walk so that other drivers may anticipate the necessity to yield when required.

§ 95.7 Bicycle Headlight and Reflector Required.

- a. No person shall drive a bicycle between sunset and sunrise unless it is equipped with a red rear reflector mounted on the bicycle so located and of sufficient size and reflectivity to be visible for five hundred (500) feet to the rear when directly in front of lawful lower beams of headlamps on a motor vehicle.
- b. No person shall drive a bicycle between sunset and sunrise or at any other time when, due to insufficient light or unfavorable atmospheric conditions, persons and

vehicles are not clearly discernible at a distance of one thousand (1,000) feet ahead, unless it is equipped with a lamp mounted on the front of the bicycle and emitting a white light visible from a distance of at least five hundred (500) feet to the front.

§ 95.8 Bicycle Parking.

- a. No person shall park a bicycle in such a way as to:
 - 1. Cause an obstruction to or impede the flow of traffic or of pedestrians on public or private sidewalks;
 - 2. Hinder or restrict access to handrails or ramps;
 - 3. Lock the bicycle to a tree or fire hydrant;
 - 4. Park on a roadway except in an area designated for bicycle parking; or
 - 5. Leave the bicycle locked to a pole or post owned or leased by a public authority.
- b. Persons stopping or parking bicycles shall obey all the provisions of this chapter regulating those activities on roadways, but are exempt from other provisions of this chapter unless specifically mentioned, notwithstanding their status as vehicles.

§ 95.9 Bicycle Parking. Abandonment of bicycles, generally.

- (1) It shall be unlawful for any person to abandon any bicycle within the City.
- (2) A bicycle may be deemed abandoned by the City if:
 - (a) It has been parked for a period of seven or more consecutive calendar days in the same location; or
 - (b) It appears visually to be in a state of prolonged disuse such that it has deflated tires, a rusted chain, accumulated leaves and debris associated with it, bent or missing wheels, bent handlebars, or other missing parts; or
 - (c) Seventy-five percent or more of the bicycle is rusted; or
 - (d) It is parked, placed or left on a roadway or in any public right-of-way in violation of this chapter; or
 - (d) It is found in any other condition in which a bicycle would be deemed to be abandoned.
- (3) In the event that a bicycle is deemed to be abandoned by the City's Police Department, or relevant Official, the Department shall have the authority to remove, seize, impound and/or dispose of same in accordance with the law.

§ 95.10 Violations; Penalties.

Any person, firm or corporation violating any provisions of this section, or any supplement to, shall, upon conviction, be punished by a fine not to exceed two hundred (\$200.00) dollars at the discretion of the court.

Section 2. Any article, chapter, section, paragraph, subsection, clause, or other provision of the Code inconsistent with the provisions of this ordinance is hereby repealed to the extent of such inconsistency.

Section 3. In case, for any reason, any portion or provision of this Ordinance shall be held to be unconstitutional or invalid, the same shall not affect any other portion or provision of this Ordinance, except so far as the portion or provision so declared unconstitutional or invalid shall be severed from the remainder or any portion thereof.

BE IT ORDAINED by the City Council of the City of Garfield, in the County of Bergen, State of New Jersey, as follows:

Section 1. The City of Garfield, in the County of Bergen, State of New Jersey (the "City") is hereby authorized to undertake various improvements to Columbus Park, in, by and for the City. Said improvements shall include all work, materials and appurtenances necessary and suitable therefor.

Section 2. The sum of \$550,000 is hereby appropriated to the payment of the cost of making the improvements described in Section 1 hereof (hereinafter referred to as "purpose"). Said appropriation shall be met from the proceeds of the sale of the bonds authorized and the down payment appropriated by this ordinance. Said improvements shall be made as general improvements and no part of the cost thereof shall be assessed against property specially benefited.

Section 3. It is hereby determined and stated that (1) said purpose is not a current expense of the City, and (2) it is necessary to finance said purpose by the issuance of obligations of the City pursuant to the Local Bond Law (Chapter 2 of Title 40A of the New Jersey Statutes Annotated, as amended; the "Local Bond Law"), and (3) the estimated cost of said purpose is \$550,000, and (4) \$26,200 of said sum is to be provided by the down payment hereinafter appropriated to finance said purpose, and (5) the estimated maximum amount of bonds or notes necessary to be issued for said purpose is \$523,800, and (6) the cost of such purpose, as hereinbefore stated, includes the aggregate amount of \$30,000, which is estimated to be necessary to finance the cost of such purpose, including architect's fees, accounting, engineering and inspection costs, legal expenses and other expenses, including interest on such obligations to the extent permitted by Section 20 of the Local Bond Law.

Section 4. It is hereby determined and stated that moneys exceeding \$26,200, appropriated for down payments on capital improvements or for the capital improvement fund in budgets heretofore adopted for the City, are now available to finance said purpose. The sum of \$26,200 is hereby appropriated from such moneys to the payment of the cost of said purpose.

Section 5. To finance said purpose, bonds of the City of an aggregate principal amount not exceeding \$523,800 are hereby authorized to be issued pursuant to the Local Bond Law. Said bonds shall bear interest at a rate per annum as may be hereafter determined within the limitations prescribed by law. All matters with respect to said bonds not determined by this ordinance shall be determined by resolutions to be hereafter adopted.

Section 6. To finance said purpose, bond anticipation notes of the City of an aggregate principal amount not exceeding \$523,800 are hereby authorized to be issued pursuant to the Local Bond Law in anticipation of the issuance of said bonds. In the event that bonds are issued pursuant to this ordinance, the aggregate amount of notes hereby authorized to be issued shall be reduced by an amount equal to the principal amount of the bonds so issued. If the aggregate amount of outstanding bonds and notes issued pursuant to this ordinance shall at any time exceed the sum first mentioned in this section, the moneys raised by the issuance of said bonds shall, to not less than the amount of such excess, be applied to the payment of such notes then outstanding.

Section 7. Each bond anticipation note issued pursuant to this ordinance shall be dated on or about the date of its issuance, shall be payable not more than one year from its date, shall bear interest at a rate per annum as may be hereafter determined within the limitations prescribed by law and may be renewed from time to time pursuant to and within the limitations prescribed by the Local Bond Law. Section 9. It is hereby determined and stated that the Supplemental Debt Statement required by the Local Bond Law has been duly made and filed in the office of the City Clerk of the City, and that such statement so filed shows that the gross debt of the City, as defined in Section 43 of the Local Bond Law, is increased by this ordinance by \$523,800 and that the issuance of the bonds and notes authorized by this ordinance will be within all debt limitations prescribed by said Local Bond Law.

Section 10. Any funds received from private parties, the County of Bergen, the State of New Jersey or any of their agencies or any funds received from the United States of America or any of its agencies in aid of such purpose, shall be applied to the payment of the cost of such purpose, or, if bond anticipation notes have been issued, to the payment of the bond anticipation notes, and the amount of bonds authorized for such purpose shall be reduced accordingly.
