

# What is an Overnight Parking Permit and When Do I Need to Purchase One?

*Vehicles with temporary license plates **DO NOT** require an overnight pass but one may be required when your regular plates and registration are received.*

*If you already have an active account, you will need to submit a Change Request application.*

*If your application is pending for approval or has been denied for any reason, purchase the overnight pass to avoid a summons.*

The overnight permit is necessary for any vehicle that does not have an active parking permit for the City of Garfield in the Passport Parking Program and must be purchased for the desired date. Permits cannot be purchased in advance for an upcoming date.

Some of the reasons to purchase an overnight permit are:

- An overnight guest
- A rental vehicle or any vehicle that is not registered and insured to the resident of Garfield
- Applications that are submitted after normal business hours (nights or weekends), or for any application pending for approval
- Residents who do not have all documentation required for a residential permit

**License plates are State specific.** When entering a license plate, make sure the State on the permit matches the registration, i.e., do not use NJ for a vehicle registered to another state. **DO NOT enter spaces or dashes in your license plate. Use only letters and numbers.**

**Overnight passes are limited to 25 purchases in a calendar year.** After the 25<sup>th</sup> purchase, the system will automatically lock your plate and you will be unable to continue to purchase permits.

**The cost for the Overnight Pass is \$5.00** and must be purchased each night a vehicle is parked in the City without an active residential permit. Make sure the license plate number and issuing state are entered correctly. Any error in the license plate may result in the issue of a summons. Overnight Permits are purchased at [ppprk.com](http://ppprk.com) (or you can download the Passport App from [Google Play](https://play.google.com/store/apps/details?id=com.passportparking) or the [App Store](https://apps.apple.com/us/app/passport-parking/id1444444444)). Enter Zone **86200** when prompted. This number is specific to Garfield, NJ.

**THE PURCHASE OF A PERMIT AFTER A TICKET IS ISSUED WILL NOT VOID THE SUMMONS.**
