(C) Provide or cause to be provided, in a timely manner, notice of a failure of the City to provide required annual financial information on or before the date specified above.

Section 15. All documents provided to the MSRB shall be accompanied by identifying information as prescribed by the MSRB.

Section 16. If the City fails to comply with the undertaking described above, any holder of the Bonds or beneficial owner thereof may pursue an action for specific performance to enforce the rights of all holders of the Bonds and beneficial owners thereof with respect to such undertaking; provided, however, that failure to comply with such undertaking shall not be an event of default and shall not result in any acceleration of payment of the Bonds or in any liability by the City for monetary damages. All actions shall be instituted, had and maintained in the manner provided in this Section for the benefit of all holders of the Bonds and beneficial owners thereof.

Section 17. The City reserves the right to terminate its obligation to provide annual financial information and notice of material events, as set forth above, if and when the City no longer remains an "obligated person" with respect to the Bonds within the meaning of Rule 15c2-12.

Section 20. The City hereby designates the Bonds as "qualified tax-exempt obligations" for the purpose of Section 265(b)(3) of the Code. The City will, to the best of its ability, attempt to comply with respect to the limitations on issuance of tax-exempt obligations pursuant to Section 265(b)(3) of the Code; however, the City does not covenant to do so, and expressly states that a covenant is not made hereby.

Section 21. The Mayor or Deputy Mayor is hereby authorized to execute the Contract of Purchase and the Escrow Deposit Agreement, in substantially the forms thereof presented to the City, with such changes, variations, omissions and insertions as the Mayor or Deputy Mayor shall approve. The execution thereof by the Mayor or Deputy Mayor shall constitute conclusive evidence of such approval. The Mayor or Deputy Mayor, the Interim Chief Financial Officer and the City Clerk are hereby authorized and directed to execute and deliver such other documents and to take such other action as they determine to be necessary or appropriate in order to effectuate the issuance and sale of the Bonds and the refunding of the Refunded Bonds, including, without limitation, the execution and delivery of all closing documents and certificates and any agreements concerning the investment of funds to be used to redeem the Refunded Bonds.

Section 22. The Interim Chief Financial Officer is hereby authorized and directed to deliver the Bonds to the Underwriter upon receipt of the purchase price therefor.

CITIZENS AND TAXPAYERS

Mr. John Easom, 103 Gaston Avenue, asked questions concerning the salt supply with the Department of Public Works. He asked whether contractors have been hired to remove snow.

Ms. Judy Fraser, 88 Prospect Street, asked questions concerning the Resolution regarding the Recycling Tonnage Grant Application.

COUNCILMEMBER COMMENTS

Councilmember Calandriello spoke on the snow removal program and said that he thinks the City is doing a decent job. He said that the City will not run out of salt and was advised the City is in good shape. He questioned if the City should plan to repave more roads considering that the cost of oil has dropped so low, the bids received for repaving should be lower than usual. He spoke on the City having solar panels on the DPW Garage at 413 Midland Avenue. He spoke on concentrating on a lot of the narrower streets when the City removes snow and he asked if the City has received many complaints concerning the chairs, garbage cans and other items that were used by citizens to hold shoveled out parking spaces being removed by the City and stored at the DPW Garage.

Councilmember Aloia spoke on all the pot holes that the City will have because of the snow that the City has been experiencing. He said that the DPW is doing a great job and he wished everyone a Happy Valentine's Day.

Councilmember Delaney spoke on the City jeopardizing possible Community Development grant funds if the City only puts a grant request in for a Fire Truck, which normally does not qualify for Community Development grant awards.

Councilmember Mati spoke on considering opening the Recycling Center at night once a week when the weather breaks. He said that the DPW did a good job with the plowing. He said that it is important for the citizens to keep fire hydrants clear of snow. He wished everyone a Happy Valentine's Day.
