Hearing on Resolution of the Garfield City Council approving the redevelopment plan prepared by Benecke Economics entitled 2020 Passaic Street Redevelopment Plan, dated February 20, 2020 regarding property located at 281, 289 & 291 Passaic Street and 8 Clark Street, also known as Block 41, Lots 1.01, 1.02, 5, & 6 ("Redevelopment Area"), as shown on the Official Tax Map of the City of Garfield.

Mr. Walis asked if the Redevelopment Plan was reviewed by the Redevelopment Agency.

Councilwoman Delaney responded that the Plan was sent to the City Council before the Redevelopment Agency. There are 2 options of going about a project. The Plan can be sent to the City Council first or to the Redevelopment Agency first. Either option is acceptable.

Mr. Benecke stated that the City Council can refer the Redevelopment Plan to the Redevelopment Agency at any time. Either before or after the Planning Board reviews it.

Mr. Walis questioned why the report includes R.S.I.S. with an approval for parking.

Mr. Benecke stated since the project is within walking distance from the train station, the R.S.I.S. standard does not apply. However, the Plan does allow for 1.75 parking spaces per unit for residential and this is consistent with R.S.I.S. standards.

Mr. Walis asked what is the standard walking distance from transit in order to be considered within walking distance.

Mr. Benecke responded that generally within 1 mile is considered within walking distance.

Mr. Wisnovsky asked about the effect on the school system.

Mr. Benecke stated that generally one-bedroom apartments will have 5-10% of the units will be school age children.

Frank Calandriello from the public asked if Mr. Benecke presented the Redevelopment Plan to the City Council. He only remembered the Study being presented on Feb. 11th.

Mr. Benecke stated that the Resolution was adopted in February. The Redevelopment Plan was sent it to the Administration on Feb. 20th.

Mr. Calandriello stated that there was no work session with Mr. Benecke in drafting this Ordinance. There was no input from the Council as a group. It was emailed to him. There was no discussion as a Council as to the content of the Ordinance. He asked if the Ordinance would be sent to the Redevelopment Agency.

Mayor Rigoglioso responded that it would be sent to the Redevelopment Agency.

Mr. Clark asked if the Redevelopment Agency was bypassed.

Mr. Benecke stated that the Redevelopment Agency was not bypassed. It does not have to go to the Redevelopment before going to the City Council. The City Council can send it to the Redevelopment Agency at any time.

Mr. Walis asked if the number of units could be changed if the Planning Board adopts the Ordinance.

Mr. Benecke stated that it can be changed by the governing body.
