SECTION 1

INTRODUCTION AND GENERAL INFORMATION

1.1. Introduction and Purpose.

The Agency is soliciting Qualification Statements from interested persons and/or firms for the provision of various services, as more particularly described herein. Through a Request for Qualification process described herein, persons and/or firms interested in assisting the Agency with the provision of such services must prepare and submit a Qualification Statement in accordance with the procedure and schedule in this RFQ. The Agency will review Qualification Statements only from those firms that submit a Qualification Statement, which includes all the information required to be included as described herein (in the sole judgment of the Agency). The Agency intends to qualify person(s) and/or firm(s) that (a) possesses the professional, financial and administrative capabilities to provide the proposed services, and (b) will agree to work under the compensation terms and conditions determined by the Agency to provide the greatest benefit to the taxpayers of the Agency. The Agency will consider Qualification Statements only from individuals, firms or organizations that have demonstrated the capability and willingness to provide high quality services as required by the Agency.

1.2. Procurement Process and Schedule.

The selection of Qualified Respondents is not subject to the provisions of the Local Public Contracts Law, N.J.S.A. 40A:11-1 et seq. The selection is subject to the “New Jersey Local Unit Pay-to-Play” Law, N.J.S.A. 19:44A-20.4 et seq. The Agency has structured a procurement process that seeks to obtain the desired results described above, while establishing a competitive process to assure that each person and/or firm is provided an equal opportunity to submit a Qualification Statement in response to the RFQ. Qualification Statements will be evaluated in accordance with the criteria set forth in Section 5 of this RFQ, which will be applied in the same manner to each Qualification Statement received.

Qualification Statements will be reviewed and evaluated by the Agency and its legal and/or financial advisors (collectively, the “Review Team”). The Qualification Statements will be reviewed to determine if the Respondent has met the minimum professional, administrative and financial areas described in this RFQ. Under no circumstances will a member of the review team review responses to an RFQ for a job which they or their firm submitted a response. Based upon the totality of the information contained in the Qualification Statement including information about the reputation and experience of each Respondent, the Agency will (in its sole judgment) determine which Respondents are qualified (from professional, administrative and financial standpoints). Each Respondent that meets the requirements of the RFQ (in the sole judgment of the Agency) will be designated as a Qualified Respondent and will be given the opportunity to participate in the selection process determined by the Agency.

The RFQ process commences with the issuance of this RFQ. The steps involved in the process and the anticipated completion dates are set forth in Table 1, Procurement Schedule. The Agency reserves the right to among other things, amend, modify or alter the Procurement Schedule upon notice to all potential Respondents who have provided contact information to the Clerk upon receipt of this RFQ.

All communications concerning this RFQ or the RFQ process shall be directed to the Agency’s Designated Contact Person, in writing.
